Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #59: Did you know that you can place your applique pieces right where you want them on an “applique pressing sheet” before transferring them to your background fabric? It makes placement on your background more accurate and sewing quick and easy. And, no pins needed!

Fall is in the air, as is our scarecrow below. There’s just something fun and exciting about the fall, whether it’s a new school year or the perfect pumpkin. And for us, we get very excited about the quilt shows we’ll be attending east of the Mississippi from Michigan to Florida.

Recently I had to take a few weeks off for some minor surgery. It made me even more grateful for those of you who have supported Quiltricks over the last 14 years. Thanks so much for making my job so worthwhile! Now come visit us at one of the shows on our list this fall and join the fun!
