Stimulating imaginations of quilt tricksters everywhere

Quiltrick #20: My sister-in-law, Emily Comstock, often made this salad. It's perfect for summer.

To shredded Leaf lettuce, add one cup each of: shredded swiss cheese, diced tart apples and walnuts. Top with poppy seed dressing. YUM!

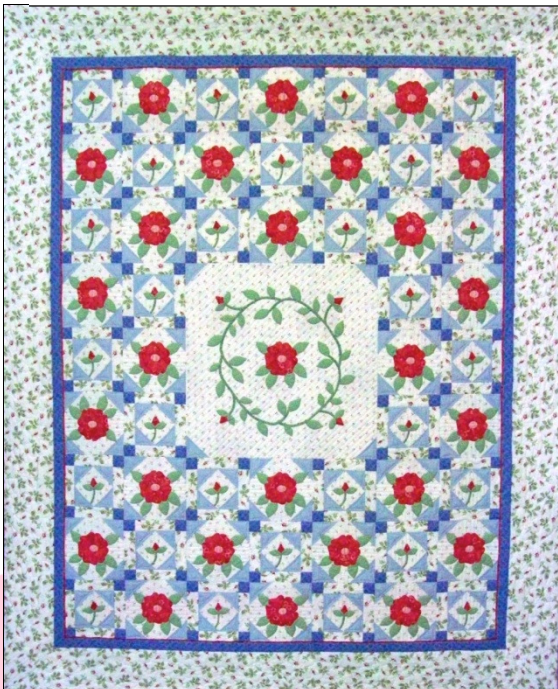

Poppy seed dressing: Mix together in a blender: $\frac{3}{4}$ cup sugar, 1 tsp. dry mustard, 1 tsp. salt, $\frac{1}{3}$ cup vinegar, and 1- $\frac{1}{2}$ tablespoons onion juice. Slowly add in 1 cup of salad oil, blending until thick. Stir in 1- $\frac{1}{2}$ tablespoons of poppy seeds. Refrigerate until ready to use.

Are you staying cool this summer? A month ago I cut off a foot of my hair for *Locks of Love* in honor of my sister, Barbara Moog. Drastic change, but it really makes a difference in the heat index!

I named my newest quilt, “Anna’s Rose”, for my Grandmother, Anna Grovdale. She embroidered a rose and left it for me to discover decades later in my mother’s dresser. I adapted it as a quilt block and added a block with my signature rosebud. Two generations who never met, joined together in one quilt!
