Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #41: When you're working on hand appliqué, sometimes a needle won't work to keep those edges turned under. Keep a damp toothpick on hand to help turn under any edges that are being difficult. The damp wood grabs onto the fabric and makes it behave.

Spring is in the air and our azaleas are in full bloom. I'm hoping the irises my Dad sent me several years ago will have a banner year this year! We are heading for Paducah in a few days, so it will be interesting to see what is in bloom in Kentucky. One of our "blooms" will be featured in "100 Blocks From 100 Quilt Designers" this Spring. It's called Whimsy. Be sure to look for it, along with a little quilt made from the design, when the magazine comes out this May.

The Block of the Month for our 10th Anniversary year has exceeded all our expectations and we have had to scramble to keep up. Pictured below are April and May's blocks. It's not too late to join the fun . . . Check out the Quiltricks website for ordering information and celebrate with us!
