# Quiltricks NEWS

*Stimulating imaginations of quilt tricksters everywhere*

**Quiltrick #43:** Do you have trouble with binding? There is a written version of a binding tutorial on my website, [www.quiltricks.com](http://www.quiltricks.com). To find it, check under free patterns. There's also a You Tube machine binding tutorial on the home page for those of you who want to completely machine bind your quilt.

"Work hard in silence. Let your success be your noise." I love this quote. For those of us who are introverts, sometimes it's hard to wait for success because it seems as if those who are "noisy" get the attention. But, when success does come our way, it is so worth it, because it's because of the quality of our work, and well deserved. So - to all of us introverts - hang in there! Now, off of my soapbox and back to work...

Below are pictured our September and October blocks of the month. September evokes the smell of the air, piles of leaves and walking to the bus stop. Did one of your kids ever leave homework behind? For October, I remember my son was terrified of the monkeys in *The Wizard of Oz*. "Tricked" makes me wonder how he would have felt if he ever saw "The Birds"! Two more Blocks of the Month to go. Are you keeping up?
