Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #50: In this dry winter weather, we give our hands a little extra care by using a little lotion on them. Give your thread the same attention by using a little beeswax on it. The beeswax will tame any knots that might come up and make it easier to sew.

This time of year is both calm and exciting. All the bustle of the holiday season is over. All the projects for last year are finished (except for a few UFO's which seem to multiply), and it's time to think about starting something new. I will be attending a retreat in early February and I'm hoping to complete a new trio pattern while there. We will see how that goes. ☺ Do you have any ideas for me? I'd love to know what kind of trio you'd like to make next.

Below is a photo of my friend, Kim's "Whimsy". I love her choice of colors. Thanks, Kim, for letting us use your tablerunner! If you have a picture of one of your finished Quiltricks patterns, send it in. We would love to print it.

We have a fairly full schedule in the upcoming months traveling to lots of quilt shows. Check to see if we will be in one in your area and come visit. In the meanwhile, enjoy the new year, and may it be a wonderful one for you and your family.
