Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #56: Sometimes embellishments make a quilt. Try experimenting with beads, floss, ribbon, yarn, or let your imagination run wild! It will add some great dimension and interest to your quilting.

L I've been thinking ahead to the summer months with my newest quiltlet trio. Most of us have gone camping at some point in our lives. I have fun memories about my camping experiences. My siblings and I laying on the rocky ground in a tent while my parents slept on an air mattress in the station wagon. Being the only one not thrown in the lake to wake me up in the morning (advantage of being the youngest!) And it wasn't until I was an adult that I learned that "Krusteaz" was a brand name. I thought that's what we called our pancakes because somehow there was always some crusty grit in them. But the s'mores were (and still are) the best part of camping. Sitting by the open fire roasting marshmallows... I like mine golden brown. Our newest quiltlet trio, "S'more Camping", celebrates camping and all the wonderful memories camping brings to mind. More s'mores, please!
