Stimulating imaginations of quilt tricksters everywhere

Quiltrick #65: Decadent Hot Chocolate: 1.5 Cups heavy whipping cream, one 14-ounce can sweetened condensed milk, 5 Cups milk, 1 tsp vanilla, 2 cups milk chocolate chips (can also use half semi sweet). Stir all together in 6-7 quart crock pot and cook on low for two hours stirring occasionally until chips are melted. Switch to warm setting and serve with whipped cream, marshmallows or sprinkles! Perfect with Christmas cookies for Santa and his elves!!

I recently was asked to provide a remembrance of a great friend for a holiday gift. On thinking of her, I reflected that I owe so much to the family and friends who have supported me over the years, many in ways that were vital but went unnoticed. As the holidays approach, don't forget to tell your loved ones how much they mean to you. It may make a big difference in their lives and will probably make you feel blessed as well.

We have a fairly full schedule for the new year and are looking forward to seeing many of our quilting friends as we travel. We also have a new quiltlet trio for the new year called "Hop to It!" Although Easter is not exactly the season we are celebrating now, it will give you a "jump" on your spring sewing. Have a wonderful and blessed Holiday season!
